

WeirFoulds Partners Listed in Lexpert Report On Business – Infrastructure Special Edition 2018

October 1, 2018

We are pleased to announce that five partners are listed in the *2018 Lexpert Special Edition on Canada's Leading Infrastructure Lawyers*. The *Lexpert Special Edition – Infrastructure* profiles a diverse group of Lexpert-ranked practitioners that serve the Infrastructure sector (including Public-Private Partnerships).

We congratulate:

- Glenn W. Ackerley
- Lisa A. Borsook
- Barnet H. Kussner
- Christopher Tzekas
- Robert Warren

The Infrastructure Practice Group at WeirFoulds has an extensive history of supporting major infrastructure projects in Ontario. We partner with our clients using cross-disciplinary skills, including land use planning, expropriation, construction, leasing, commercial law, energy, environmental law and project finance to advance such projects through to their successful conclusion.

The *Lexpert® Special Edition – Infrastructure* is the product of an extensive peer survey process. Produced in strategic partnership with the Canadian Council for Public-Private Partnerships (CCPPP), the *Lexpert Special Edition on Canada's Leading Infrastructure Lawyers* has been published in the September issue of *Report on Business* magazine in The Globe & Mail.

We congratulate our lawyers on this distinction. [Please click here to access the directory.](#)
