

Two WeirFoulds lawyers recognized in 2023 *Lexpert Special Edition: Mining*

October 23, 2023

Congratulations to our two partners who have been recognized in the 2023 *Lexpert Special Edition: Mining*. The special edition features Lexpert-ranked lawyers who provide services to the mining sector and are considered experts within the practice in Canada.

Our listed lawyers include:

- Robert Eberschlag
- Wayne Egan

The [Mining Practice Group](#) at WeirFoulds acts for domestic and international mining companies that are at all stages of development, from prospecting to production. Our Mining lawyers serve as ongoing counsel to clients, helping clients raise project finance and achieve merger, acquisition, joint venture and partnership opportunities, in addition to helping clients maintain best practices in sensitive areas such as the environment, anti-corruption and bribery, and labour relations.

The *Lexpert Special Edition: Mining* is the product of an extensive peer survey process, and was published digitally on October 23, 2023.
